

## Udlandsstipendielisten for kunstneriske og kulturelle uddannelser 2017

Uddannelser der ikke er på fuld tid, kan ikke godkendes som SU-berettigende og kan dermed ikke tildeles udlandsstipendium. En uddannelse skal svare til 60 ECTS årligt for at være uddannelse på fuld tid. Det gælder også Central Saint Martin's College of Art and Design, hvor uddannelserne ikke altid er på fuld tid.

Dette er ikke en liste over uddannelser godkendt til SU og udlandsstipendium. Listen viser hvilke uddannelser der vil kunne berettige til udlandsstipendium, såfremt uddannelsen også kan godkendes til SU.

Vi kan vejledende oplyse, at udlandsstipendium højst kan gives i 2 år i en uddannelsesperiode, der svarer til 120 ECTS.

Bemærk, at listen revideres hvert år ved årsskiftet og at denne liste er gyldig til og med 31. december 2017.
