

Udlandsstipendielisten for kunstneriske og kulturelle uddannelser 1. april 2024 - 31. marts 2026

Det er kun muligt at opnå udlandsstipendium til bestemte kunstneriske uddannelser i udlandet. Denne liste viser hvilke kunstneriske uddannelser, der kan berettige til udlandsstipendium, hvis uddannelsen kan godkendes til SU.

Bemærk, ikke alle disse uddannelser vil kunne godkendes til SU. Hvis du ikke kan finde din ønskede uddannelse på Fast Track-listen (listen over SU godkendte uddannelser), kan du søge om at få den optaget på Fast Track-listen.

Listen over udenlandske kunstneriske og kulturelle uddannelser, der giver mulighed for udlandsstipendium - er udtømmende. Du kan derfor ikke selv søge om at få optaget en uddannelse på nedenstående liste. Bemærk, at nedenstående liste revideres i lige år pr. 1. januar og har virkning fra den 1. april samme år og 2 år frem.

Vi kan vejledende oplyse, at udlandsstipendium højst kan gives i 2 år i en uddannelsesperiode, der svarer til 120 ECTS.

Land	International institution	Hovedområde	International uddannelse	Takst 2024
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Architecture	103.000
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Design by Research	103.000
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Landscape Architecture	103.000
Japan	Tokyo Institute of Technology (Tokyo Tech), Dep. of Architecture and Building Engineering	Architecture	MSc International Graduate Program in Architecture (terminology: Master of Engineering)	103.000
Schweiz	ETH Zürich	Architecture	Master of Science ETH in Architektur	103.000
Storbritannien	The Bartlett School of Architecture	Architecture	MA Architectural History	103.000
Storbritannien	The Bartlett School of Architecture	Architecture	MA Architecture (MArch 2)	103.000
