

Udlandsstipendielisten for kunstneriske og kulturelle uddannelser 1. januar 2018 - 31. marts 2020

Uddannelser der ikke er på fuld tid, kan ikke godkendes som SU-berettigende og kan dermed ikke tildeles udlandsstipendium. En uddannelse skal svare til 60 ECTS årligt for at være uddannelse på fuld tid. Det gælder også Central Saint Martin's College of Art and Design, hvor uddannelserne ikke altid er på fuld tid.

De 5 uddannelser ved National Film and Television School er kommet på listen med virkning fra den 1. juli 2019. Det er dermed ikke muligt at søge udlandsstipendium fra et tidspunkt, der ligger inden den 1. juli 2019.

Dette er ikke en liste over uddannelser godkendt til SU og udlandsstipendium. Listen viser hvilke uddannelser, der vil kunne berettige til udlandsstipendium, såfremt uddannelsen også kan godkendes til SU.

Vi kan vejledende oplyse, at udlandsstipendium højst kan gives i 2 år i en uddannelsesperiode, der svarer til 120 ECTS.

Bemærk, at listen revideres i lige år pr. 1. januar og har virkning fra den 1. april samme år og 2 år frem. I forbindelse med at listen pr. 1. januar 2018 overgik fra at være gældende i 1 år til i stedet at være gældende i 2 år, er gyldigheden vedrørende denne liste undtagelsesvis gældende fra den 1. januar 2018 (ikke først fra den 1. april 2018) og til og med den 31. marts 2020.

Land	International institution	Hovedområde	International uddannelse	Takst 2019
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Architecture	90.700
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Design by Research	90.700
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Landscape Architecture	90.700
Japan	Tokyo Institute of Technology (Tokyo Tech), Dep. of Architecture and Building Engineering	Architecture	MSc International Graduate Program in Architecture (terminology: Master of Engineering)	90.700
