

## Udlandsstipendielisten for kunstneriske og kulturelle uddannelser 1. april 2020 - 31. marts 2022

Uddannelser der ikke er på fuld tid, kan ikke godkendes som SU-berettigende og kan dermed ikke tildeles udlandsstipendium. En uddannelse skal svare til 60 ECTS årligt for at være uddannelse på fuld tid. Det gælder også Central Saint Martin's College of Art and Design, hvor uddannelserne ikke altid er på fuld tid.

De 5 uddannelser ved National Film and Television School er kommet på listen med virkning fra den 1. juli 2019. Det er dermed ikke muligt at søge udlandsstipendium fra et tidspunkt, der ligger inden den 1. juli 2019.

Dette er ikke en liste over uddannelser godkendt til SU og udlandsstipendium. Listen viser hvilke uddannelser, der vil kunne berettige til udlandsstipendium, såfremt uddannelsen også kan godkendes til SU.

Vi kan vejledende oplyse, at udlandsstipendium højst kan gives i 2 år i en uddannelsesperiode, der svarer til 120 ECTS.

Bemærk, at listen revideres i lige år pr. 1. januar og har virkning fra den 1. april samme år og 2 år frem.

Land	International institution	Hovedområde	International uddannelse	Takst 2020
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Architecture	93.800
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Design by Research	93.800
Australien	RMIT - Melbourne, RMIT University, School of Architecture and Design	Architecture	Master of Landscape Architecture	93.800
Japan	Tokyo Institute of Technology (Tokyo Tech), Dep. of Architecture and Building Engineering	Architecture	MSc International Graduate Program in Architecture (terminology: Master of Engineering)	93.800
